

**DON HENDERSON**

## **Malakoff Youth Gets Scholarship Award At Lamar State College**

Don Henderson, Malakoff-reared young man, was recently named recipient of the "Donald E. Walker Scholarship Award," in the form of a \$100 bond at Lamar State College in Beaumont. The award, sponsored by Donald E. Walker, former Grand Praetor of the Central Southwestern Province of Sigma Chi fraternity, is given to the member from each Sigma Chi chapter in Texas, Oklahoma and Arkansas, who has made the greatest grade improvement.

Don, the son of Mrs. Paul Powers of Port Neches, and the late Albert Henderson, is a member of Epsilon Chi of Sigma Chi at Lamar State. He had the greatest improvement in grades for the 1960-61 semester over the 1959-60 semester.

Currently he is a senior Secondary Education major and is doing his student teaching at Port Neches Junior High where he teaches seventh grade general science. He will graduate in August.

Don, who made his home here with his grandparents, Mr. and Mrs. Oscar Henderson, for a number of years, was a 1957 graduate of the Malakoff High School. He was a 2-year letterman in football and president of the student body in his senior year.
