

As you know I am no speaker

But I just felt it in my
heart to bring you this
Revolutional, to-day.. so I hope
~~I make it~~ ^{you will} ~~just~~ have with me

First Since this is mother day
tell a little true story, ^{I wanted like to} as a child
my mother passed on to heaven
when I was six years old
there was 4 of us I was the
oldest, we were drug from one
relative to another, then our
dad married again, we were it
much better off, we never knew
what it was to have the teachings
of God, but I am sure most
of ~~you~~ ^{have} ~~do~~ ^{had} since have your mother
Now, ^{a person} before it is too late
By George Bancroft Briffith

If you have a gray haired mother
In the old home far away
Set you down and write the letter
You put off from day to day
Don't wait until her weary steps
Reach Heaven's Beary gate.
But show her that you think of her.
Before it is too late

If you have a tender message
Or loving word to say
Don't wait till you forget it
But whisper it to-day
Who knows what bitter sorrows
May haunt you if you wait?
So make your loved one happy
Before it is too late
The tender word unsoken
The letter never sent
The long forgotten message

The wealth of love unspent
For these same hearts
are hungering,

For these same loved
ones wait;

Show them that you
care for them

Before it is too late

Bow your heads
Prayer

Please God we thank thee
that thy Holy word has
endured throughout the ages
as a guide for life's journey.

Grant that Parents and
Children everywhere will rely
on thy Precepts to light the way
for themselves and their loved ones.
