YEA, TIGERS! LET'S WIN DISTRICT!

FUTURE POTENTIAL TEAM SHOWS GREAT PROMISE

Here's a new school term, bringing with it another football season and MHS has a very promising squad. There are twenty-six boys working out, and only seven are seniors. This gives us good, strong material for this season and several more to come, because all are showing strong enthusiasm and will-power to take the hot work-outs the coach is giving them.

SEVEN SENIOR BOYS ON FOOTBALL TEAM

Seven boys in the Senior class can be seen working out for football this season. These boys are Wayne Brown, Dickie Derden, Howard Hardy, Stanley Johnson, Donald Jordan, Bobby Rogers and Royce Shelton.

All seven of these boys are letter men from previous years, except Stanley. He is just starting in his second year as guard.

SPORTS SHORTS

It is not so funny to the boys involved, but the pounds have really been rolling off out there on that practice field during football workouts. The boys have lost from five to fourteen lbs. in some cases.

Some, even more. Bobby Rogers for instance. He's got that new trim look.

Most of the boys are in good shape this season.

Coach Loggins has really been putting the boys through the mill, but it will pay off in the long run.

The Tigers have been picked for 4th place in district for this year, but they hope to see a much better season.

The Tiger team is expecting a very good crowd of spectators at every game this

Four of these boys are last year lettermen: Joel Rogers, Ken Andrews, Eddie Nokes, Ben Carels. Others from last year are Tony Womack, Marlon Washam, Don Henderson and Sonny Humphries. Eleven brand new Tigers are showing much strength for district win. They are Bo Johnson, a junior; Neil Williams, sophomore; and the rest are the following freshmen: P. D. Bankston, Billy J. Robertson, Frank Garcia, Donnie Robertson, Steve Haney, Willard Wood, Milburn Holt, Larry Surls, and Dennis MacMertray.

With this fine team and the high-spirited new coach, many great things are expected.

However, it is hoped that the freshmen and sophomore boys will not be discouraged as the season goes on, because they do not get to play. It takes experience to play a good game of football, so stick around and learn!

Bobby Rogers has been on the squad 3 years and has lettered each year. Bobby played tackle in his Freshman season and guard in his second year and center last year and this year.

Donald Jordan and Royce Shelton play in the backfield. Donald is quarterback and he has lettered 3 years. Royce is fullback and has lettered 2 years.

Wayne Brown, Howard Hardy and Dickie Derden are linemen. They are all starting into their fourth year of football and each of them has lettered two years. Dickie plays right end; Wayne plays left tackle. Howard plays right guard.

NOTICE

The pep squad girls will sell programs at the game tonight. The proceeds go to pay for goal post paper at the home games and for a party honoring the football squad.

year.
